Santa Rosa Elite Basketball is seeking sponsors for our 2027 travel basketball season. SRE Basketball is an IRS recognized non-profit, 501c3 youth basketball organization that benefits girls in Santa Rosa and Escambia Counties, focused on developing and preparing young basketball athletes to compete at higher levels of high school and college. Our club was formed in 2015 as an AAU Girls Basketball Club competing in both local, statewide and National AAU and NCAA exposure tournaments and leagues.

Santa Rosa Elite coaches and managers insist on academic responsibility. This year, we have 60 student athletes currently playing in 4th grade through high school. Through our coach's, parent's and player's efforts and our player's dedication, we have expanded our program to offer exposure to high school girls that want to play in college. **Based on NCAA reports, less than 5% of high school female basketball players go on to play in college**. For our players that aspire to play sports in college, our program helps them achieve that dream! For the 2025-2026 college season, Santa Rosa Elite has four of our Alumni playing basketball in college, two playing flag football, and one coaching at the collegiate level. **All seven of these girls, and many more through the years, came through our program and are getting all or a portion of their college tuition paid because of what they achieved through their participation in sports with Santa Rosa Elite!**

Our player families bear the responsibility to pay for uniforms, tournament fees and travel expenses. **Last year our expenses for uniforms and tournament fees were over $75,000**, which did not include overnight travel expenses and parent entries into the tournament venue.

Santa Rosa Elite offers multiple forms of sponsorships. We have sponsor opportunities for uniform items and for our tournament to be held in April each year. If you are interested in becoming a major sponsor, please email us at: INFO@SantaRosaElite.com for other options.
